"Good Looks" Cream for Whole Family

3 month's supply
\$2.
1 oz. economy size \$1.45 plus tax.

A "good looks" cream for family skin problems! Called Euterica, invisible—fast acting, because it carries medication under the skin where these problems start. So effective, Euterica is now featured by leading stores everywhere. Results guaranteed if your problem is listed below:

Fades Age Spots on hands

"Weathered brown spots on your hands and face tell the world you're getting old, perhaps before you really are. Fade them out with new Euterica, the new medicated cream that breaks up masses of pigment under the skin to help make it look white, smooth, young again. Younger folks may use Euterica to retard age signs indefinitely.

Helps Enlarged Pores

Often a man's first "old age mark!" Open enlarged pores may cause your complexion to look rough, and unclean. Regular use of Euterica helps shrink the opening to smooth out recesses. Here's a tip for men: Use Euterica daily. Leaves skin supple, clean and clear. Its delicate fragrance soon disappears, yet, the beneficial result is long-lasting because Euterica works under the skin.

Blackheads - Pimples

Stubborn outward pimples and blackheads, caused by weather and neglect, respond fast. Euterica clears up skin troubles where other creams have failed. No longer need you suffer the embarrassment and loneliness caused by these unsightly blemishes. Apply Euterica at night—tomorrow, your mirror will start to reveal a clearer, brighter and smoother skin. It's not a cover-up. It penetrates deep to work from inside out.

Goodwill Industries Junior Group Plans Champagne Preview

To captivate the interest of its patrons in its forthcoming seventeenth annual Antiques Market and Sale, the Junior Group of Goodwill Industries has this year mailed invitations for a Champagne Preview Nov. 7, 6:30 to 10 p.m.

All the booths will be open and merchandise available for sale. The preview and market will be held in the building of Goodwill Industries, 6522 Brush at East Grand Blvd.

The Antiques Market, sponsored by the Junior Group, will run from Nov. 8, 2 to 10 p.m., through Nov. 11. Week day hours will be from 11 a.m. to 10 p.m.

MR. AND MRS. George T. Trumbull of Bloomfield Hills are chairman of the Champagne Preview and will be assisted by Mrs. Richard Wagner of Birmingham as chairman.

Governor and Mrs. George W. Romney are honorary patrons. Mrs. W. Thomas LaRue of the Indian Village Manor and Mrs. George T. Wilde of Franklin are co-chairmen of the 1964 Antiques Market and Sale.

Receipts from the sale will be used to provide rehabilitation services and job training programs for handicapped men and women at Goodwill Industries. Forty-eight dealers in American and imported antiques will exhibit and sell in booths occupying two floors of the Goodwill plant. Dealers coming from many sections of the country include several who have never before exhibited at the Market.

IN THE EARLY American atmosphere of the country store, shoppers may purchase candies and cheeses popular at the turn of the century. Jellies, jams, pickles and other items home-made by Junior Group members are on sale at the Pantry Shift. Members of the Junior Group

of Goodwill Industries prepare and serve lunches and dinners in the colonial-type dining room. Elevator service is provided to the third floor location and visitors may rest or wait for friends in a nearby lounge.

Old-fashioned tables and chairs add to the setting of the Ice Cream Parlor and Snack Bar on the first floor, providing a spot for refreshment and relaxation for Market visitors.

The Birmingham Eccentric

BIRMINGHAM, MICHIGAN
Thursday, September 24, 1964

When one seeks a cause, or causes, for the many wrongs, cruelties that exist in human society, to what can he attribute them? What changes some people from their original "image and likeness of God" into the very opposite? Don't they include greed, intolerance, lust, desire for personal power, ignorance, fear? Supplanting these with Love of the Good is mankind's need. (GRA)
