Seaholm Tops Groves, 20-14

Maples Post 2 Victories; Falcons Lose

Seaholm's cross-country team registered its second and third victories last week, dumping Edsel Ford, 20-14, and then edging Hazel Park, 24-23. Groves and Bloomfield Hills each suffered a loss.

Against Edsel Ford, Maples runners came in strong through eight places behind winner Rick Emery in an easy win. The reserves also won, 15-49. Mike Branic led Maples harriers.

AT HAZEL PARK, Seaholm had its toughest meet in two years, according to coach Kermit Ambrose. Scott Bradley was the individual winner, setting a new course mark of 9:55.5, but Hazel Park runners took second, fourth and sixth.

Mike Branic was third for Seaholm and Terry Frenuth fifth, but not until Bob Zane, Tom Tollefson and Jim Lyness came across the line, had Seaholm secured the win.

Scott Bradley and Mike Johnson were the second and third runners in the Maples run Thurston Tuesday and will run Southfield Friday and Saturday at home Monday. The reserves won by the nearest perfect score of 15-49.

Groves lost their opener last week to a tough Kimball squad by the perfect score of 15-50. Rick Whitman has a 10:50 time for the Falcons, who host Oak Park today.

BLOOMFIELD HILLS entered the Milford Invitational Saturday and finished fifth with 125 points, although Baron Tom Kearney continued his fine running with a winning time of 10:25.3.

S'field Trips Thurston; Country Day Triumphs

Southfield and Detroit Country Day started the 1964 football season on the right foot with victories Saturday. Southfield edging Thurston, 13-12, and Country Day blanking Webberville, 13-0.

Southfield, outweighted 20 pounds per man, led at the half, 6-0, upped it to 13-0 in the third quarter, then hung on to win by one point when Thurston wrung for two TD's in the final stanza.

The Blue Jays opened the scoring on a 54-yard pass play from Terry Thompson to end Jim Burgess in the opening period. In the third quarter, end Rich Smigelski grabbed a Thurston fumble in the backfield and raced 38 yards to pay dirt. Kane Boeschma added the PAT.

THURSTON TALLIED early in the fourth period and almost pulled it out when they added another recovering a fumble in the Southfield end zone.

The game was played in a downpour and Southfield fumbled four times within its 10-yard line, but the defense held, stopping at least six Thurston bids.

Country Day gave its new coach, Larry Masteller, a happy debut. After a scoreless first half, the Yellow Jackets scored twice in the final half to win, 13-0.

In the third quarter, linebacker Al Saylor intercepted a Webberville pass on the 25. Seven plays later, Jon Marks went up the middle for two yards to score. He added the PAT on a run. A big play in the drive was a 15-yard pass from Brian Swain to Bob Davenport on a third and six situation.

John Kingscott, Seaholm's leading scorer, led the Maples offense against Groves Friday night, scoring two touchdowns on runs of 23 and 38 yards. He gained 147 yards in 19 carries to earn a selection as Prep of the Week.

Tom McKennie, converted from guard to fullback, was the top Groves performer against Seaholm Friday. He scored one touchdown on a two-yard plunge and netted another on defense when he traveled 75 yards with an interception.

West B'field, Brother Rice Drop Openers

West Bloomfield's two-year mastery over Waterford came to a sudden halt Friday as the Lakers dropped a 13-0 decision. Brother Rice, meanwhile, after practically pushing Catholic Central out of the park, fell apart and lost, 33-0.

Waterford's Tom Hoke, the Lakers' poison as the halfback twice scored on dive plays after West Bloomfield had scored the first time they had the ball.

Jay Williams put West Bloomfield in front, 6-0, when he went in from five yards out in the opening period, but Hoke quickly tied the count at six.

In the third quarter, Waterford opened a big hole in the Lake

line and Hoke sprinted 23 yards to paydirt. It was the first win in two years for the Skippers over West Bloomfield.

Brother Rice lost an unbelievable contest. They had 15 first downs to Catholic Central's four.

The Warriors had a Jim Chenet to Earl Tracy TD pass called back in the opening minutes, but battled CC to a standstill until the second quarter when Denis Voytovich hit Bob Law with a 50-yard scoring pass.

CC ADDED another before the half ended when Tom Lenaghan broke loose for 80 yards to paydirt. In the third period, Rich Barnaba scooped up a bad pass from center on a punt and went 20 yards to score.

The final two scores came when Mike Kearney rambled 60 yards into the end zone and Voytovich sneaked in to score to cap a 60-yard march.

Dan Corrigan led Rice runners with a 6.1 average, while Paul Lutz had 4 yards a carry. "We outplayed them, but made costly mistakes," coach Joe Pascuzzi said.

23 LETTERMEN GREET ELLIOTT

For the first time since 1956, University of Michigan football fans are thinking in terms of a winning season and maybe, just maybe, a victory over arch-rival Michigan State.

The last Wolverine triumph over the Spartans was way back in 1955 when they turned the trick, 14-0. But there are reasons for hope this year—23 of them.

That's exactly how many lettermen have returned from the 1963 squad that showed definite progress in the latter half of last year to finish with a 3-4-2 mark.

Michigan is strong at the ends and in the backfield. If Bump Elliott, now in his sixth year, could pad the line, the Wolves could play a major part in the 1964 Big Ten picture.

"WE'VE GOT some good prospects, but many are sophomores. We must rebuild our interior line and look for increased reserve strength and backfield speed," Elliott said.

But, Elliott, who has learned to proceed cautiously, has not quieted the students at Ann Arbor, who are predicting the best season in years for the Wolves.

Despite the fact that a back ailment has sidelined first-string halfback Jack Clancy for the year and that injuries have plagued Rick Sygar and Dick Lindfors, Elliott still has a lot with which to work in the backfield.

An abundance of talent faces Elliott at quarterback where senior Bob Timberlake is backed up by Pete Hollis, Rick Volk and Wally Gabler—all of whom throw well.

Kingscott Paces Intra-City Win

By DICK ZEMMIN
Sports Editor

Seaholm kept its victory string intact in Birmingham's annual intra-city battle Friday night by posting a 20-14 win over an upset-minded Groves eleven.

The Maples, after going in front 13-0 and then 20-7, had to run out the clock in the final three minutes to hang on to their fourth win in as many years for the contest.

Groves, seeking to upset the Maples, had no Ken Hett to contend with, but Seaholm found an adequate replacement—senior halfback John Kingscott.

KINGSCOTT RAMBLED for touchdowns of 23 and 58 yards to go along with a two-yard score by halfback Buzz Downey, who also scored twice, but had the latter called back on a penalty.

The Falcons, who displayed a capable defense, were at times inept on the offense. They relied heavily on the running of Tom McKennie, Doug Jardine and Ron Oehler, all who ran well.

McKennie was the standout for the losers, scoring both Groves touchdowns, one from a two-yard plunge, the other on a 75-yard pass interception.

As nearly 7,000 fans watched in the rain, Seaholm scored first in a 59-yard march in the first quarter that was capped when Kingscott went 23 yards up the middle on a trap. Mike Lawrie added the PAT.

GROVES, WITHOUT managing a first down in the opening quarter, held Seaholm to a scoreless tie for the rest of the first period, but then Falcon halfback Jim McKinnie tried a daring play.

With fourth and three on his own nine, McKennie faked a punt and ran. The Seaholm line dropped him short and three plays later Buzz Downey went in from two yards out to make it 13-0.

Groves came back strong in the second half. After a short punt, they moved 29 yards in six plays where McKennie banged over from the two. A Steve Green to Ron Oehler pass set it up.

Oak Park Breaks Jinx; Blanks Bloomfield Hills, 19-0

It was a long time coming, but Oak Park finally did it. After eight years of losing to Bloomfield Hills in the season's opener, the Redskins turned the trick Friday, 19-0.

For Baron coach, Bill Tummiloff, it couldn't have come at a worse time. The contest marked Tummiloff's first game as Hills coach.

OAK PARK took command early in the game and was never really headed, outgunning the losers, 213-87 yards. They scored once in the first quarter, once in the second and then added a final tally in the fourth.

The Redskins defense played a key part in the game. They continually bottled up Bloomfield and set up a fumble in the first period that led to the game's first score.

With only one minute gone, Baron halfback Tim Anderson was hit and fumbled. Jim Finn covered the ball on the Baron 22 and, on the first play thereafter, fullback at 1920 Chesterfield, Birmingham.

Alvin Mayes took a hand-off from John Speelman and raced 22 yards up the middle to score.

Finn and Speelman also figured in the second touchdown. It came on the first play of the second quarter when Speelman hit Finn with a 24-yard toss on the 10-yard line and he went the rest of the way to score.

Bill Farrah Wants To Put You In The Driver's Seat!

We mean that both literally and figuratively. We want to put you in the driver's seat of one of the Sensible Spectaculars of 1965 . . . the sensationally new Rambler Americans, Classics and Ambassadors. That means that you have your choice of 3 different Ramblers, in 3 different sizes, on 3 different wheelbases in 3 different price ranges.

Now, because we sell more Ramblers than any other dealer in Oakland County, our volume makes it possible for us to sell at a lower price per car. And Rambler is the lowest priced U. S. built car in the first place. These beautiful new Ramblers are powered with 7 spectacular engines, 6's and V-8's, including Torque Command—the newest, most advanced engine on the American scene today. So advanced that it delivers more power and better performance, yet increases gasoline mileage. Isn't that something? Today is our big announcement day. So come in and see the Sensible Spectaculars of 1965 for yourself.
